#1 #2 #3 #4 #5 #6 #7

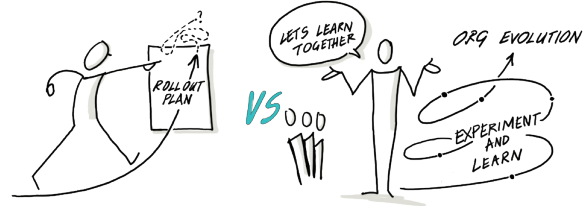

#1

Agile as an Enabler
Agile is Not the Goal

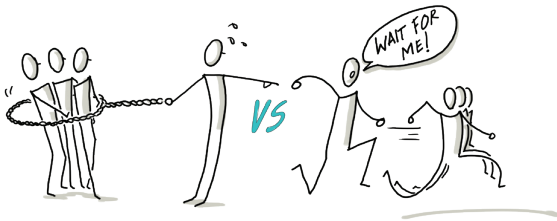

#2

An Evolution Program
Replace your Rollout Plan

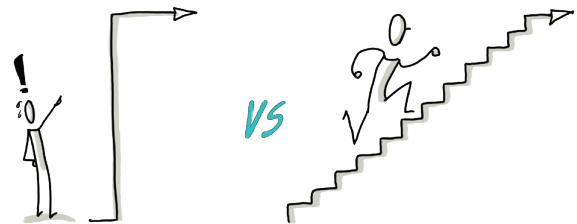

#3

Iterate Where the Interest Is
Don't Mandate Agile

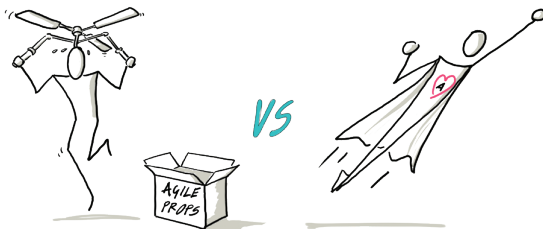

#4

Improve Daily Work
Avoid Big Org Transformations

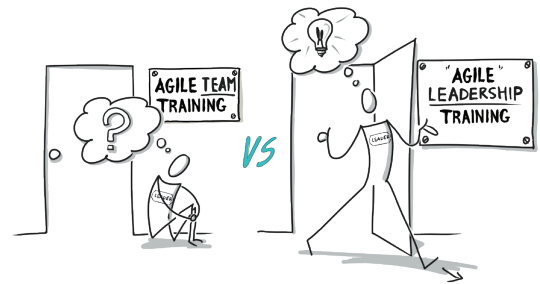

#5

Include Agile Mindset
Not Just Doing Agile

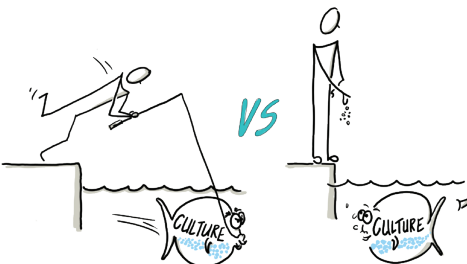

#6

Start with the Managers
Don't Start with Teams

#7

Culture and the People
Beyond Tactics & Strategy

You are a leader and part of an Agile Transformation in your organization. If you are normal, your organization's Agile Transformation is not delivering the results that you expect. After years of research, working with organizations like yours, training, and certification of thousands of leaders worldwide in Agile Leadership, we have a solution.
